pp

Alpha Primary School Hall  
3pm - Onwards

## Lenasia Teachers Reunion: 'Celebrating our legacy together'

AS part of the year-long Lenz70 campaign celebrating seven decades of Lenasia's rich history and achievements, we are delighted to host a Lenasia Teachers' Reunion. This event aims to recognise and celebrate the significant contributions made by educators over the years.

The reunion will bring together current and former teachers from Lenasia, who have shaped generations of learners and upheld the values of service, resilience, and excellence in education. The event will take place on Saturday, October 25, at the Alpha Primary School Hall, starting at 3 pm.

Lenasia boasts a proud history of public education, with its first school, Lenz High, opening in February 1955. Two years later, First (Alpha) Primary School was established. Today, Lenasia is home to 22 public schools and six private schools.

Over the years, more than 2,000 teachers have been employed in local schools.

An organising team of teachers has been formed to ensure this event is

a memorable occasion. The reunion will provide a platform for teachers to acknowledge and celebrate the legacy of educators over the past seventy years, while also offering an opportunity to reconnect and reminisce about fond memories.

Dr. Ismail Vadi, the convener of the Lenz70 Committee, stated, "We encourage all teachers, both past and present, to attend this historic event. Administrative and support staff who have significantly contributed to the operations of our local schools are also welcome." He emphasised, "This is a chance to pay tribute to the local pioneers of education, especially those who challenged the educational bureaucracy of the apartheid system."

Tickets for the event can be purchased at schools in Lenasia. For further information, please contact Colin Francis at 084 581 9249 or Claudia Jeevanantham at 060 977 2779.

## Lenz Teachers' Reunion brings back memories

THE Lenz70 Teachers' Reunion was a glittering success, with a packed audience at Alpha Primary School of past and present educators from Lenasia. Held last weekend at Lenasia's first primary school, the event brought back exceptional reunions of teachers who had worked together over the past decades. Among them was a good sprinkling of younger teachers, which allowed for the historical linking of past and present experiences of local teachers.

Neeshan Balton, Executive Director of the Ahmed

Kathrada Foundation, was the guest speaker at the event. He recounted his brief stint as a teacher in Lenasia before being fired by the apartheid-era Department of Education and Culture: House of Delegates, presumably due to his political activism. He complimented the current crop of teachers for continuing to serve under trying circumstances, a non-racial education system, and the community at large. He said teachers were in the forefront of nation-building and social development. Balton was sharply critical

of teacher unions such as SADTU, which failed to address the real educational and financial challenges confronting schools. Retired teachers such as Robert Abrahams, Vinay Nathoo, Sundra Moodley, and Haroon Mahomed provided cultural entertainment. In addition, every school in Lenasia received a token of appreciation for its commitment to education locally. Former teacher and Lenz70 convener Dr Ismail Vadi said the reunion was memorable.
